IF YOU WANT YOUR FAMILY TO BE WHOLE:

They took the bible and school prayer out of our public schools, and it was replaced by gender issues, mental health issues, bullying, violence, and gender mutation. The bible is a foundation to build upon but has been rejected because of a blindness and lack of understanding its foundation of history stories. This just keeps going on and on until something breaks. They do not understand the bible fully. It is getting way out of hand and if you cannot understand what it is saying fully then you must believe it by faith because it is too difficult for you to understand. My theory is the same.

Columbine shooting: The human mind follows memory thought paths much like a computer program. The mind has to be refreshed by reading the bible often, else it gets off track or loses track of right and wrong, and someone will take revenge with a gun. This is why we recommend reading the bible. Because we cannot understand full some faith is required.

We need to witness to the criminals, the drug dealers as to what their life after death might be. Will some end up in hell because we have done nothing to help. You can use my theory as some proof that this came from a Holy Spirit as they have asked me to place this in here.

Lose Gods blessings and your aspiring dreams and get stuck in a rut. Destroying your life's ambitions. You will lose your will to continue your education.

Our government needs upstanding men or women so we can avoid problems that our children will inherit. We are not raising our children right.

Because our nation is having so many problems:
Churches leave important essential parts of the bible out. To protect your family from the evil days to come, we will need to understand some scripture.

The preachers seem to be leaving important parts out. I went to church, but I was never taught this: The pastors do not understand this! The following is very important and should be taught all churches to both adults and children growing up. Starting at Proverbs 7, the main point is verse 23.

The adulterous woman: This applies to both male and female.

Proverbs 7:23 states “Till a dart strikes through his liver; as a bird hasteth to the snare, and knoweth not that it is for his life”

I have personally experienced firsthand this when a male and female come in intimate contact or lay upon one another, a dart like spirit passes from one body to the other. It can be felt but having no idea what it was, it is simply ignored. Unfortunately, it is an evil spirit looking for another body to reside in (usually it wants a better body or something else). They get into your mind that way. These spirits will ruin your marriage and cause disorder and degrade your family values. This dart can fly short distances through the air as well. It has been described to me as being punctured. Your armor is punctured.

Proverbs 7:

²¹. With persuasive words she led him astray; She seduced him with her smooth talk.

²². All at once he followed her like an ox going to the slaughter, like a deer stepping into a noose

²³ till an arrow pierces his liver,

(THIS IS REAL) It is like a nerve twitch reaction except you can feel it enter your stomach area.

Like a bird darting into a snare, little knowing it will cost him his life. Many are the victims she has brought down; her slain are a mighty throng; her house is a highway to the grave, leading down to the chambers of death.
